- 1/ Each student must have a safety approved ASTM riding helmet and riding boots with at least a half-inch heel. Riding gloves will protect your hands from blisters and if a student is riding in the winter, they should have winter riding boots.
- 2/ Occasionally, under very extreme circumstances, a lesson may be cancelled or transferred to another date or time. You will be notified by telephone and given an alternate date and time. Otherwise, all lessons carry on regardless of weather or road conditions.
- 3/ Horseback riding is considered a high risk sport and can be very dangerous if not taken seriously. Although we take every precaution for safety, an accident could occur and result in serious injury or death. Please follow the instructions of the staff on duty as well as all safety rules and procedures notified by Wynbrook Farm.
- 4/ Riding students may wish to bring guests to watch their lesson and they may do so provided the guests stay in the viewing lounge or at the outdoor bleachers. All children must stay with their parents at all times.
- 5/ Dogs and other pets cannot be allowed out of your vehicle for any reason.
- 6/ There are no refunds or substitutions given for missed lessons.
- 7/ There will be a \$25 administration fee for returned cheques. Registration is for the full 12 weeks even though payment is divided into 3 portions. Please check your schedule carefully before registering as your reservation is binding.
